PLAAD Hosts Date Nite on Parent Power & Consequences

Pinetop-Lakeside Advocates Against Drugs (PLAAD) and Blue Ridge High School will join forces to present information to junior and high school parents and students on consequences of decisions during the organization's fourth "date nite". The event is April 1, 5:30-7:30 pm at Blue Ridge High School East Campus, White Mountain Boulevard, Lakeside.

Informational presentations, set up in a maze fashion, will provide information on a variety of topics. Participants will change rooms and presentations every 10 minutes, in "speed dating" style. Among topics and participants are: Navajo County Drug Project, Prescription Drug Dangers; Navajo County Medical Examiner's Office, Fatal Choices; Navajo County Attorney's Office, Life's Decisions; PLAAD, Science of the Teen Brain; Community Counseling Center, Signs & Symptoms; Gangs Immigration Intelligence Team Enforcement Mission (GIITEM), Gang Banging; Navajo County Teenage Pregnancy Prevention Program and others.

The evening will open with dinner, provided by Little Caesar's. Parents planning to attend must confirm in advance by calling BRMS office at 928-368-2300 ext. 1504.

###

Calendar item:

Blue Ridge Middle School and Pinetop Lakeside Advocates Against Drugs host a parent-student date nite April 1 to empower parents about youth decision-making. The 5:30-7:30 pm program starts with dinner from Little Caesar's. The interactive program includes a variety of 10-minute presentations on life consequences from teen decision-making.

Attendance is at no cost and is open to the public is by advance reservation before March 26th at (928) 368-2300 ext 1504. Location is Blue Ridge High School East Campus, White Mountain Boulevard, Lakeside.
